## *Assembly Chalice Program*

This program was established by the Assembly as a way to Honor its fallen brothers. During the Sir Knights Funeral Mass, the Faithful Navigator or his representative will present a gold Chalice and proclamation to his family. The gold Chalice is inscribed with the Sir Knights name on it. The Sir Knights family is encouraged to present the Chalice to a priest of their choice. Thus, every time that priest uses it to say Mass, the Sir Knight is remembered in prayer.
